## **Other**

In addition, several other organizations plan to arrange/conduct or support tourism activities in the Antarctic during the 1998-99 season. Although some of these organizations are not U.S. based, American citizens are most likely involved in their planned activities and for this reason are reported here.

### **SHIPBORNE**

- a) Hapag-Lloyd Cruises of Hamburg, Germany, operated two vessels in the Antarctic Peninsula. The Hanseatic and the Bremen conducted 7 cruises each.
  
- b) Marine Expeditions of Toronto, Canada, conducted approximately 25 cruises to the Antarctic Peninsula using the Akademik Shuleykin, the Akademik Ioffe and the Disko.
